Woodland Dunes Nature Center and Preserve, Inc.

Land Steward and Environmental Education Intern

Woodland Dunes Nature Center and Preserve is seeking to hire a motivated summer intern to assist with habitat restoration work such as the removal of invasive plant species and native plantings, trail maintenance and caring for restoration sites. The intern will also teach environmental education programs to groups of children and help orient and greet visitors to the Nature Center.

Training will be provided, but the intern should be comfortable working in a team setting, working outdoors and have experience working with children. Successful candidates should have an active interest in the natural world. Preferred areas of study: biology, conservation, education or natural sciences. The intern will work with the Director, Assistant Director/Education Coordinator and Land Management Coordinator. Pay is $10.00/hour, minimum 400 hours for the summer.

Those interested should send a resume and cover letter to Jessica Johnsrud at jessicaj@woodlanddunes.org or PO Box 486 Two Rivers, WI 54241.
