Dear Friends of the Lakeshore Wind Ensemble,

This 2013-2014 Season of the UW-Manitowoc Lakeshore Wind Ensemble is indeed special. Thirty years have passed since the founding of this organization. It is my pleasure to invite you to renew your subscription membership or become a new member for our 30th Anniversary Season. As you look through this brochure we know you will find an exciting program of music which is both new and also reminiscent of our history as a major musical organization in our region over the past thirty years. In fact we are also calling the season the “Conductor’s Choice” series since I have indeed chosen works from our history that have been particularly appreciated by our LWE musicians, our audiences, and myself.

From our traditional five Lakeshore Wind Ensemble Concerts to the addition of the two Lakeshore Big Band Concerts as an optional part of our season at the Capitol Civic Centre, we hope you will join us for what we hope will be an historic season.

We sincerely thank you for your subscription membership and hope that you will also continue as a donor or become a new donor of our Lakeshore Wind Ensemble Association. I hope to see you at all of our concerts during the 2013-2014 Season.

Musically yours,

Michael J. Arendt
